Darin,

Per my earlier voicemail message, the Dept of Public Works, Office of Community Beautification (OCB), under Gerry Valido will take in applications for these types of improvements.

Here's a link: <http://dpw.lacity.org/office-community-beautification>

The BOE will assist OCB with any technical review or testing of materials.

Thank you

Hi Wesley,

I hope you are well. I talked with you recently regarding a Kaboom grant project at the transit plaza at Pico and Normandie and there was some confusion as to which agency will issue the permit. Could you please give me a call at your earliest convenience?

Thank you very much,

Darin French
